Hounslow Trades Union Council, formed originally in the 1930s, was re-established in January 2023 after a gap of many years. We aim to raise public awareness of rights at work, provide a voice for local union branches, and work for other union objectives as determined by the TUC and Regional TUC.

We welcome affiliations from trade union branches that organise in Hounslow borough. This form can be used to affiliate, re-affiliate or update delegate details. **Please email** secretary@hounslowtradescouncil.org or send it to us c/o 114 Hanworth Road, Hounslow TW3 1UF.
